LOGO USAGE POLICY AND DECLARATION

1. Purpose of the Policy and Declaration

The purpose of this declaration is to regulate the use of the emblem of the Diversity Charter Hungary (hereinafter referred to as the "logo").

2. Validity of the Policy and Declaration

This declaration must be observed by all Members of the Diversity Charter Hungary. Members are entitled to use the logo only if they have paid their annual membership fee — which renews automatically each year on January 1 — by the specified deadline.

3. General Rules for Logo Usage

Members are authorized to use the logo. The use of the logo is regulated, and all Members must comply with the rules below.

- Members are entitled to display the logo on their printed materials (letterheads, company brochures, etc.), websites, and promotional materials, in compliance with this policy.
- If a Member wishes to use the logo in any other way than on printed materials or their website, prior approval from the HBLF Diversity Charter Hungary is required, provided that such use does not otherwise violate this policy.
- The logo may **not** be used on products or product packaging.
- When referring to membership in the Diversity Charter Hungary, Members must not make misleading statements, nor use the logo or any part of it in a misleading manner.
- Members may not refer to their membership in relation to activities not covered by the membership.
- A Member organization may use the logo only during the period covered by its paid membership fee.

4. Rules for Referring to Membership in the Diversity Charter Hungary

If an organization wishes to indicate its membership status in the Diversity Charter Hungary without using the logo, it may do so using the following wording:

"Member company of the Diversity Charter Hungary operated by the Hungarian Business Leaders Forum."

5. Representation of the Logo

The logo may only be displayed in the form and colors defined in the Appendix (or in uncolored versions: entirely black or entirely white), and may be enlarged or reduced **proportionally**.

6. Other Provisions

No separate fee is required for the use of the logo; it is included in the membership fee. In matters related to the use of the logo or references to certified membership status that are not regulated by this document, the **HBLF** is authorized to issue an official position.

I, the undersigned,, hereby confirm with my signature that I accept the terms and conditions described in the LOGO USAGE POLICY AND DECLARATION.
